

CPI is Geared Up for all of Your Compressor Needs

.....
Our products and services include:

- **Piston Rods** - manufacturing, reconditioning, tungsten carbide coating
- **Compressor Pistons** - manufacturing, reconditioning, thermal spray, anodizing
- **Compressor Rod Packing** - manufacturing
- **Packing Cases** - manufacturing OEM cases, reconditioning
- **Compressor Valves** - manufacture OEM valves, reconditioning, exclusive CPI Hi-Flo™ VP and Hi-Flo™ RS valves
- **Piston & Rider Rings** - PTFE, PEEK, cast iron, bronze
- **Lubrication Services** - in-shop and on-site field services
- **Lubrication Products** - full product line in stock
- **Field Services**
- **General Machining**

CPI, part of the Howden group, is a leading manufacturer of precision engineered components for reciprocating compressors used in petrochemical, refining, natural gas, and offshore industries. The CPI product range includes packing, piston and rider rings and a complete line of compressor valves designed to provide each customer with maximum performance and reliability for their application. In addition, CPI offers the highest quality lubrication system technology for further compressor efficiency and protection.
